This **Protocol Governing the 38th America's Cup** is made on 12 August 2025

between (1) **The Royal New Zealand Yacht Squadron Incorporated and**
 (2) **Royal Yacht Squadron Limited**

Introduction

- A. The Royal New Zealand Yacht Squadron Incorporated ("**RNZYS**"), having defended the 37th America's Cup, holds the silver trophy known as the America's Cup in accordance with the terms of a Deed of Gift dated 24 October 1887 (the "**Deed of Gift**").
- B. On 19 October 2024, immediately following the final race of the 37th America's Cup, RNZYS received and accepted a notice of challenge for the 38th America's Cup from Royal Yacht Squadron Racing Limited ("**RYSL**") in accordance with the Deed of Gift.
- RYSL, having submitted the first valid notice of challenge for the 38th America's Cup ("**AC38**") has been appointed as the initial Challenger of Record.
- RNZYS and RYSL believe that a form of protocol is a desirable way of mutually consenting to various items that, in accordance with the Deed of Gift, may be agreed between the yacht club holding the America's Cup and the yacht club challenging for the America's Cup
- C. Accordingly, RNZYS and RYSL now record in this Protocol (the "Protocol") the arrangements they have mutually agreed for and in respect of the **AC38** in accordance with the terms of the Deed of Gift.
- D. In this Protocol COR/D have sought to continue the development of the America's Cup as the premier event in the sport of sailing, consistent with the provisions of the Deed of Gift, so as to:
- (i) maintain the balance between sailing and design;
 - (ii) keep the America's Cup at the forefront of technology;
 - (iii) endeavour to increase the number of Competitors involved in the America's Cup;
 - (iv) increase public engagement with the America's Cup;
 - (v) cut the cost of organizing and executing an America's Cup campaign including the design, production and operations of AC75 Yachts; and
 - (vi) maintain the value of the existing fleet of AC75 Yachts.

It is agreed as follows:

71.3 Participation at Own Risk

Consistent with the principle articulated at Articles 71.1 and 71.2, a Competitor has sole discretion to determine whether or not it is safe to test, train, sail, and/or race on any given day. Therefore, each Competitor, for itself and on behalf of its Team Members, also expressly understands and agrees that in taking part in the whole or any part of AC38 it does so at its own risk and responsibility and further agrees to the detailed exculpation and indemnity provisions in Article 71.4.

 - (iii) any failure by the Competitor and/or any of its Team Members in the observance or performance of any of the terms, covenants or conditions of the Rules.
- (b) The terms of this Article 71.4 shall be enforceable regardless of the joint or concurrent, active or passive, negligence of any of the Indemnified Parties, regardless of whether liability without fault is imposed or sought to be imposed on any of the Indemnified Parties, and except to the extent that the whole or any part of it is void or otherwise unenforceable under applicable law in effect or, or validly retroactive to, the date of this Protocol. The Competitor's indemnification obligation hereunder shall begin from the first notice that any Claim is or may be made.
- (c) The terms of these exculpation and indemnity provisions in this Article 71.4 shall not apply to any proceedings relating to the Rules and decisions that fall under the Jurisdiction of the Arbitration Panel and detailed above in Article 67.

71.2 Defence

A Competitor specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from Claims that actually or potentially fall within the scope of the provisions of Article 71.4, even if the allegations are or may be groundless, false or fraudulent. The Competitor's obligation to defend shall arise at the time any Claim is tendered to the Competitor by any of the Indemnified Parties and shall continue at all times thereafter.

71.3 No Liability for Postponement / Cancellation

None of the Indemnified Parties shall be liable for any losses, damages, injury, loss of profits, loss of prospective profits, consequential damages, penalties or inconvenience, whether direct or indirect, however arising, as a result of the postponement or cancellation of the whole or any part of AC38 due to any event, occurrence or circumstances whatsoever, including acts of God, terrorism, war, government intervention or regulation, public health (including for the avoidance of doubt the COVID-19 pandemic), environmental conditions, strikes, lock-outs, other industrial acts, lack of funding or support, or any other force majeure circumstance.

By signing this Protocol in the case of the Defender and the Challenger of Record, or by submitting a Notice of Challenge in the case of any other Challenger, each Competitor specifically acknowledges and confirms that it was represented by counsel who explained the consequences of the terms of this Article 71, or that Competitor had ample opportunity to consult with counsel, but declined to do so.

71.5 Survival

The terms of this Article 71 shall survive the expiration or earlier termination of this Protocol.

71.6 Enforcement

The Arbitration Panel shall not have jurisdiction to interpret and/or enforce the terms of this Article 71. The enforcement of any of the provisions of, and the resolution of any disputes regarding Article 71 shall be determined by a court of competent jurisdiction in accordance with Article 67.22.
