MARINAS26 STUDY TOUR | 27-29 MAY 2026

EXPLORE THE BEST OF THE WHITSUNDAYS

Join fellow delegates for an unforgettable two-day journey through the Whitsundays, exploring three of Australia's premier marinas.

The Whitsundays' pristine cruising grounds are home to some of Australia's most stunning coastal scenery. Unlike many international destinations, the region remains largely untouched and uncrowded. With 74 green-clad tropical islands, white sandy beaches and the glistening Coral Sea, it features iconic sites like the Great Barrier Reef, Whitehaven Beach and Hill Inlet.

With over 20 anchorages for vessels over 24 metres and a wealth of luxury resorts and services, the Whitsundays is ideal for high-end cruising. The Marinas26 Whitsundays Study Tour offers delegates a first-hand look at three exceptional and distinctly different marinas.

This exclusive tour includes airport and on-water transfers, two nights' accommodation, breakfasts, lunches, and one dinner.
